Learning Continuity Plan Part 3 for School Year 2022-2023

October 20, 2022

Dear Parents / Guardians,

Greetings!

Last October 17, the Department of Education released an amendment to DepEd Order 34, s. 22 regarding the mandate to implement full face-to-face classes by November. In the amendment (DepEd Order 44, s. 2022), **private schools may continue to implement its Blended Learning Modality.**

Please see more information below, and some minor adjustments we have made:

I. SCHEDULE

A. Casa

Class hours remain the same but Online Synchronous Discussion (OSD) will now be on Monday and Tuesday, and I-LEAP on Wednesday to Friday.

B. Grade School

Starting November 7 (Monday), the Grades 1, 2, 3, and 4 I-LEAP Group B (p.m.) students will now enjoy classes with their entire section in the morning; **they will be merged with I-LEAP Group A.** **All I-LEAP Group B (p.m.) sessions of the Grades 1, 2, 3, and 4 will now attend I-LEAP classes in the morning.** Grades 5 and 6 will still have their I-LEAP in the morning.

This informed decision was made after classroom and clinic records show that positive COVID-19 cases were not contracted in school. Please rest assured that the classrooms, despite full capacity, still have enough distance between seats and health and safety protocols shall continue to be strictly observed.

Also, instead of meeting three times a week for I-LEAP, students will now meet 5 times a week.

Level I (Grades 1 to 3) will have I-LEAP every Week 1 and 2 of the month. Level II (Grades 4 to 6) will have theirs every Week 3 and 4 of the month.

The schedule of OSD and subjects will remain the same. See the sample schedule below:
