Learning Continuity Plan Part 3 for School Year 2021-2022

July 1, 2021

Dear Parents / Guardians,

Greetings of good health and peace!

As mentioned in our Learning Continuity Plan Circular 2 for SY 2021-2022 released last April 12, here is the last installment of our LCP for your guidance.

As we gear up for the start of another school year, please be reminded of the following important improvements:

- Longer and enhanced Online Synchronous Discussions and more time for students to accomplish module activities and assessments with teacher and classmates
- Online Synchronous Discussions for all Grade School and High School nonacademic areas of study
- Saturday classes of the Grade School and High School, previously required by the Department of Education, will now be integrated in the 5-day class week.
- More online co-curricular and extracurricular activities, allowing for more social interactions outside of academic classes
